Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Allowance dated November 22, 2004, required the submission of formal drawings. Applicants filed the formal drawing along with the prior issue fee payment on February 18, 2005, and are available in the Image File Wrapper (IFW). Therefore, Applicants request use of the previously submitted drawings and believe that the request for formal drawings with this issue fee payment are in error.

No structural changes were made to the drawings in the prior submission which would have required annotated drawing sheets.

Unless notified to the contrary, Applicants believe that the drawings submitted on February 18, 2005, were entered and accepted. MPEP 608.02(x)

Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees or publication fees, to Deposit Account No. 13-2491 and please credit any excess fees to such deposit account.
